RECIPE

SCALLOPS ON LEMONY WATERCRESS

To get a nicely browned crust on the scallops, pat them dry with paper towels before you saute them.

2 teaspoons olive oil, divided 1 1/2 pounds sea scallops

1/2 teaspoon salt, divided 1/4 teaspoon paprika 1 tablespoon grated lemon rind 1 tablespoon chopped

fresh parsley
2 tablespoons fresh

2 tablespoons fresh lemon juice

2 teaspoons sugar 2 teaspoons bottled minced garlic

1/4 teaspoon coarsely ground black pepper 8 cups trimmed watercress (about 2 1/2 bunches) 1. Heat 1 teaspoon oil in a large nonstick skillet over medium-high heat. Sprinkle scallops with 1/4 teaspoon salt and paprika. Add scallops to pan; cook 3 minutes on each side or until done. Combine rind and parsley; sprinkle over scallops. Keep warm.

2. Combine 1 teaspoon oil, 1/4 teaspoon salt, lemon juice, sugar, garlic, and pepper. Place watercress in a large bowl; drizzle with lemon juice mixture, tossing gently to coat. Serve scallops over watercress mixture. Yield: 4 servings (serving size: 2 cups watercress mixture and about 4 ounces scallops).
